

COMMITTEE VOLUNTEERS

WORKING TOGETHER TO HELP OTHERS

The mission of the Maine Parkinson Society is to improve the quality of life for Maine People With Parkinson's disease (**PWP**). This is done through education and increasing public awareness as well as creating specialized programs that directly benefits Maine PWP and their families.

Have you ever wanted to become involved in helping others who in many cases can't help themselves because of Parkinson's disease? Here is that opportunity. We are looking for people to volunteer on one or more of our committees.

As a member of a committee, you will be assisting the organization in one of several specific areas of responsibility. When choosing a committee, please consider your own talents, interests, and background.

Check your area(s) of interest:

___ Administration*

___ Board of Directors

___ Fundraising Committee

___ Respite Care Committee

___ Finance Committee

___ I would like to help, please call me

*Administration: If you have administrative skills we can use your help. Administration help can cost any nonprofit organization major dollars in order to do these functions with quality. Sample areas that can be improved upon include: Letters/Flyers for fundraising, data base management of contacts, names and information, website updates, bookkeeping with QuickBooks, newsletter information to patients and general public, etc...
